Translation:

I eat no pork
And I'll tell you why:
If he has eaten a hundred turds
It will only make him laugh;
He turns them, he twists them,
He grins at them, and then he nibbles them.
I eat no pork.
The pig went playing,
All along the bank of a river.
He saw a turd floating by
He scooped it out to regale himself on it,
Saying the following:
“Turd floating on the river,
Surrender or you’re dead.”
I eat no porc.
