Of flat-tring speach with sug-red words, be-ware, be-ware: Sus-

pect the heart, whose face doth fawne, doth fawne and smile, With trusting

these the world is clogde with care, the world is clogde with care, the world is clogde

with care, And few there be can scape these Vipers vile, these Vipers vile, these Vi-pers

vile, With pleasing speach they promise, they promise they promise and pro-test, When

hatefull hearts lye hid with-in their brest, with - in their brest. With brest.
