Facsimile may call this a half note.
Facsimile has a dot here. But dots didn’t always mean what we mean by them.

These 5 notes are colored in the facsimile.

These 3 notes are colored in the facsimile.

These 6 notes are colored in the facsimile, and this is where the other parts begin their 3/2 section.

The other parts go back to cut time here.
Facsimile has a half note here.
Facsimile has a half note here.
Facsimile has a whole note, very close to the following breve, so you can imagine there should be a dot.
The verte direction in the facsimile was here.
