Translation:

Puelle saltanti imperavit mater,  
nihil aliud petas nisi caput Joannis  
propter insiurandu,  
et contrstristatus est rex propter iusi-  
urandum,  
et propter simul discumbentes

The mother commanded the dancing girl,  
“but if nothing else, you should ask  
for the head of John, for the  
oath was taken.”  
And the king was remorseful, because  
the oath was taken,  
and for those who sat with him.
