Fly love, aloft

Cantus

John Wilbye (1574 – 1638)

The First set of English Madrigals (1598)

Fly love aloft, to heaven and looke out Fortune,

Fly love aloft to heaven, Fly love aloft to heaven and looke out Fortune, Then sweetly, sweetly, sweetly her importune, That I from my Calisto best beloved, As you and she set downe be neuer moved, As you and she set downe, As you and she set downe be neuer moved, And love, to Carimel see you commend me, to Carimel see you commend me, see you commend me, Fortune for his sweet sake, Fortune for his sweet sake, may chance be friend
For-tune for his sweet sake, may chance be-friend me.

For-tune for his sweet sake, may chance be-friend me.

For-tune for his sweet sake, may chance be-friend me.
