Vec-chie le-tro - se,      vec-chie le-tro-se non va-le - te nien-te,

Vecchie letrose

Sullen old hags are good for nothing

Se no a far l'aguaito per la chiazza.

But setting traps for lovers in the public square.

Tira alla mazza

Go ahead and club them,

Vecchie letrose scannaro'e pazze.

Those scabrous, crazy old cut-throats.
